What are some of the benefits of an ACP Membership?

- Introduction to a network of resources that specialize in Continuity Planning and Disaster Recovery
- Access to productive chapter meetings and useful presentations
- Discounts on products, services, conference fees, and training material
- Members only website section for access to presentations, templates, etc.

MEMBERSHIP

Membership is open to industry professionals and individuals interested in the fields of continuity planning and emergency management. Each ACP Chapter establishes their own chapter dues which range from \$60 to \$110.

Unaffiliated general US membership is available for \$75 for those located 50 miles or more from a chapter.

International memberships are available for \$100.

MISSION STATEMENT

ACP is the **Premier Organization** for business continuity professionals and emergency managers. ACP provides members an excellent information exchange experience and opportunities to set response and recovery trends while strengthening relationships through alliances with public and private partners.
